ABOUT ME

I am a passionate and detail-oriented web developer with a strong foundation in front-end and back-end technologies. With expertise in HTML, CSS, JavaScript, PHP, C#, and ASP.NET, I specialize in building interactive and user-friendly web applications. My experience includes working on projects like E-Commerce platforms and Online Voting Systems, leveraging MySQL databases for efficient data management. Currently pursuing an MCA, I am continuously enhancing my skills to stay updated with the latest web development trends. I am eager to apply my knowledge and problem-solving abilities to create innovative and high-performing websites.
